

CODiE™ & CODEtte™

The Code Officials

WWW.CODIEANDCODETTE.ORG

Hi!

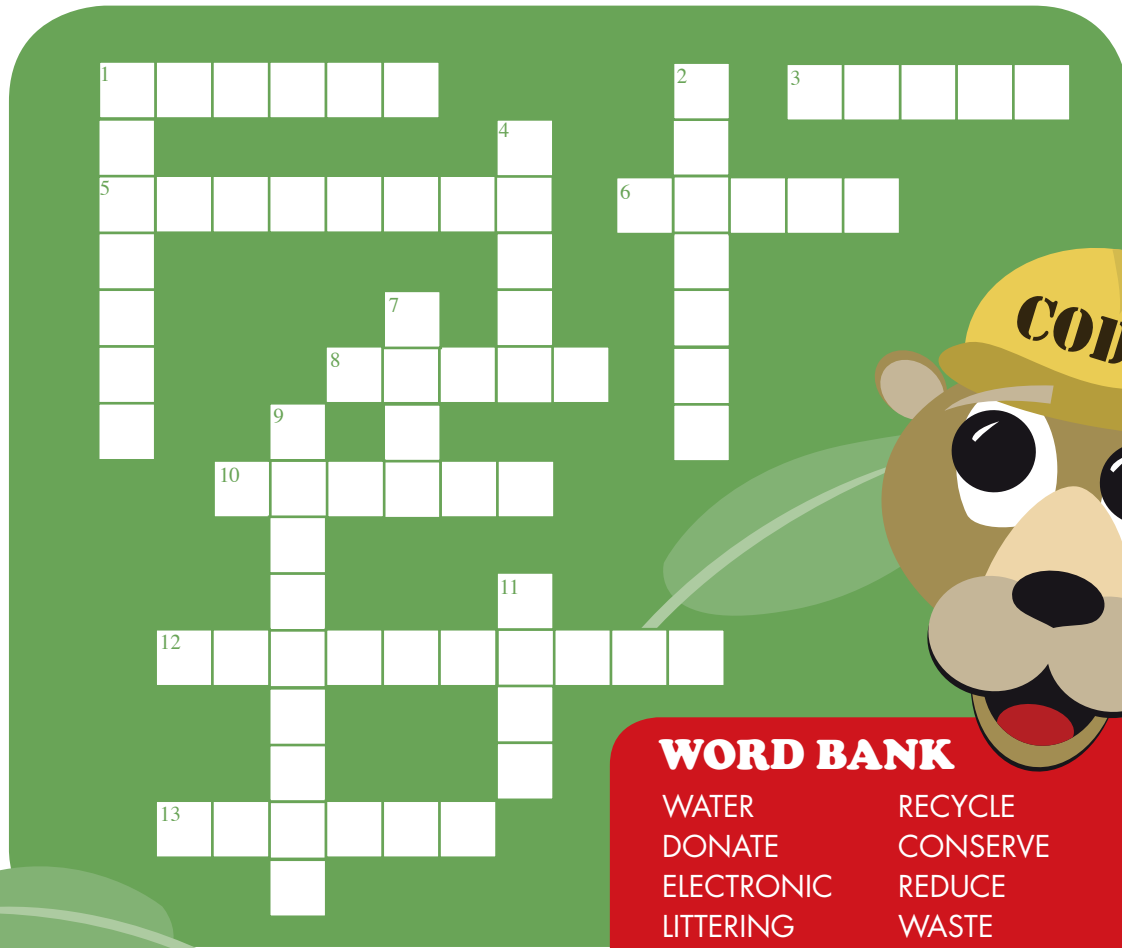

We're CODiE™ and CODEtte™ the Code Officials. Our job is to make the buildings where you live, play and go to school safe. Being a code official means that you make sure the buildings are built safe and strong. Fill out our activity book with your parents so you can learn what to do to make sure you and your family are always safe, aware and prepared. When you finish the book, you will earn the title of Junior Code Official. Good luck!

Building Safety Month

International Code Council Foundation

The International Code Council Foundation (ICCF) is a subsidiary of the International Code Council (ICC), a membership association dedicated to building safety and fire prevention. The Council develops the codes used to construct residential and commercial buildings, including homes and schools. Most U.S. cities, counties and states that adopt codes choose the International Codes developed by the International Code Council.

The Foundation (ICCF) is a 501(c)3 nonprofit organization with the mission to promote public awareness of ideas, methods and technologies that encourage the construction of safe, durable and sustainable buildings and homes, reducing the devastating effects of building damages due to natural disasters and other tragedies. For more information about the ICC Foundation, call 1-888-ICC-SAFE (422-7233), ext. 4223 or visit www.icc-foundation.org
