My Dearest Family of Loss,

I welcome you, with open arms, to attend a night just for you. Just for your babies. Just for your families. A time of remembrance, acknowledgement, community, and hope. A place of love, and cherished memories, hard moments, and comfort. I hope you meet this place with the vulnerability to be. To just be. For these moments, do not last long, but they will always be. Candlelight and music dedications as well as activities of remembrance await upon these waters. I hope you will join us!
