SUSSEX COUNTY FORM OF GOVERNMENT

Sussex County operates under the traditional, or County Administrator, form of government (as defined under Virginia Law). The Board of Supervisors is a six-member body, elected by the voters of the Electoral District in which they live; each member serves a four-year term. The Chairman and Vice Chairman of the Board are elected annually by its members. This body enacts ordinances, appropriates funds, sets tax rates and establishes policies and generally oversees the operation of the County government. The County Administrator is appointed by and serves at the pleasure of the Board of Supervisors. The County Administrator is the Chief Administrative Officer of the County and is responsible for developing an annual budget and carrying out policies and laws which are reviewed and approved by the Board. The County Administrator directs business and administrative policies and recommends to the Board those methods, procedures and policies which will properly govern the County.
